THE MORPHO BOOK SERIES

The must-have guide for all artists who draw the human figure!

In these books,

Michel Lauricella presents both his artistic and systematic methods for drawing the human body—with drawing techniques from the écorché (showing the musculature underneath the skin) to sketches of models in action.

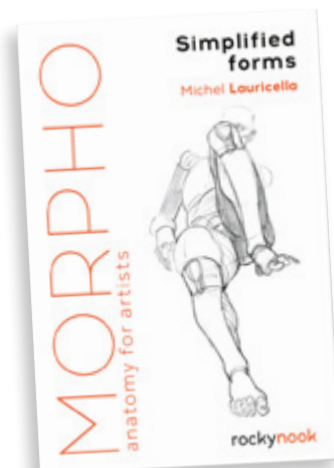

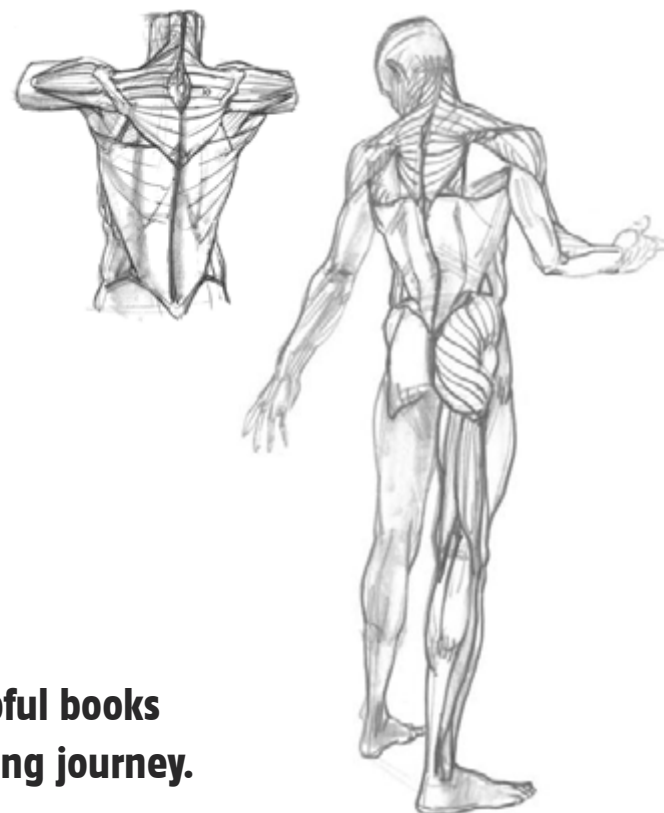

Anatomy for Artists

\$49.99

Soft cover with flaps
6" x 8.25", 320 pages

The essential, bestselling guide for all artists who draw the human figure!

In more than 1,000 illustrations, the human body is shown from a new perspective—from bone structure to musculature, from anatomical detail to the body in motion.
